# eVue

Network Configuration and Monitoring Tool

Overview

eVue is a next-generation network management system designed for EtherWAN devices, supporting up to 512 devices. It boasts high compatibility with EtherWAN network devices, significantly reducing costs compared to gradual device setup and monitoring. eVue simplifies network management steps, enhancing work efficiency and effectiveness.

Key features of eVue include:

1. Automatic Discovery and Monitoring of EtherWAN Devices

eVue automatically searches and adds devices on the network for monitoring. It detects devices across LANs or different network segments as defined by the user. eVue monitors device status and events such as power outages, ping failures, broadcast storms, and abnormal temperature or humidity levels, ensuring comprehensive network oversight.

2. Clear and Visualized Topology with Real-time Monitoring

Visualized topology views provide clear network connection statuses, facilitating easy management and real-time monitoring of port utilization and device interconnections.

3. Real-Time Remote Email Notifications

Users receive customizable email notifications for network events, enabling remote device management and real-time situational awareness.

4. Scheduled Firmware Upgrades Simplified

eVue supports seamless firmware upgrades for EtherWAN devices, eliminating complexity in device management and network configuration. Scheduled firmware updates ensure devices are always equipped with the latest enhancements.

eVue, deeply integrated with EtherWAN devices, serves as an ideal network management solution, saving time

and costs while maximizing operational benefits.

EtherWAN — "When Connectivity is Crucial."

Specifications

✚ System Requirements

CPU	Intel i5 2.5GHz and above
RAM	4GB and above
Hard Disk	1TB, 7200 RPM, SATA-3Gb/s or higher
Operating System	Windows 10 (64-Bit)
Browser	Microsoft Edge, Chrome v64 or later, Firefox v58 or later, Safari 11.11.1 or later

✚ Supported EtherWAN Devices (Model No.)

EG97000 Series

EG97023 Series

EG99000 Series
